

Publications involving Czech scientists and using data from the ILL

Based on the ILL scientific literature over the last 20 years

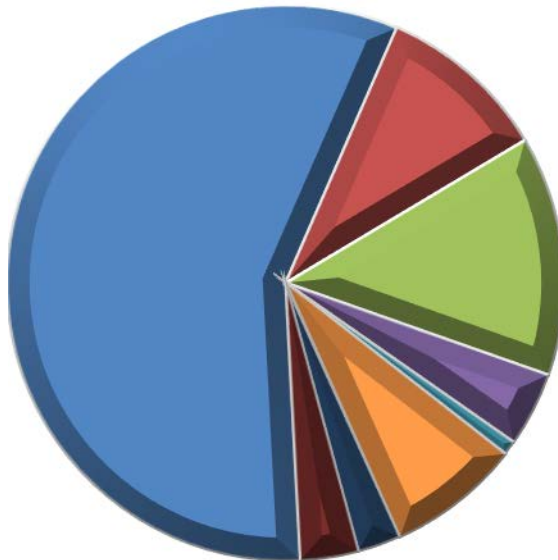

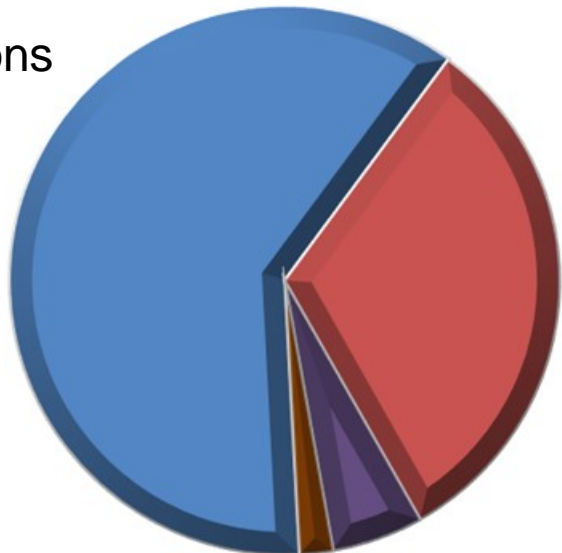

Affiliations and scientific areas of Czech users in the period of 2012 to 2019.

2012-2015

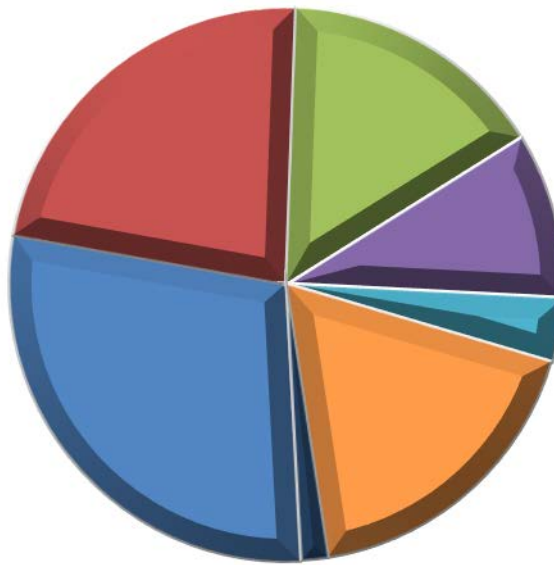

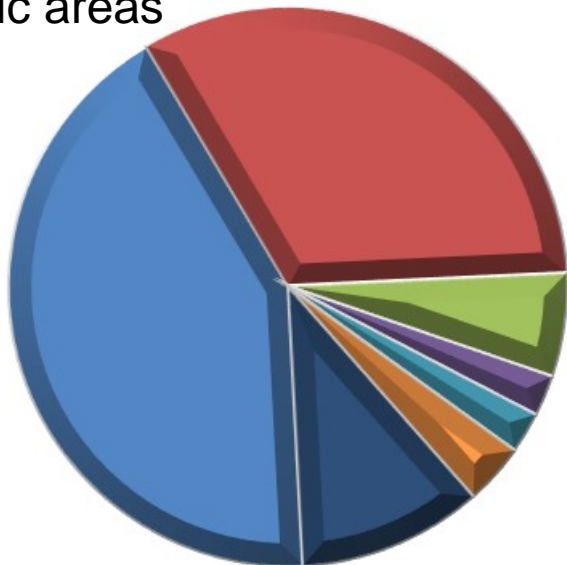

2016-2019

affiliations

- Charles University
- Institute of Physics ASCR
- Nuclear Physics Institute ASCR
- Institut of Macromolecular Chemistry ASCR
- Institut of Biotechnology ASCR - BIOCEV
- Masaryk University in Brno
- University of South Bohemia
- Center of Excellence Telc

scientific areas

- magnetic structure
- dynamics in solids
- crystallography
- material research
- nuclear physics
- biology
- chemistry
